

This year marks a special milestone for Kids' Chance of Washington as we celebrate 25 years of impact and the students, families, supporters, and volunteers who have helped shape our mission.

The 25th Anniversary Breakfast will bring our community together to recognize current scholars, board members, volunteers, sponsors, and the many students whose lives have been changed through Kids' Chance scholarships. The program will feature Joel Sacks of Washington State Labor & Industries as keynote speaker, along with Aneya Rodriguez as our student ambassador.

Your sponsorship helps us celebrate this milestone while continuing to provide educational opportunities for students affected by a parent's serious workplace injury or death. Together, we can honor 25 years of impact and help carry the mission forward for the next generation.

Choose the sponsorship level that works best for you and join us in making this milestone celebration one to remember. Each sponsorship helps support the Kids' Chance mission while recognizing your commitment to the students and families we serve.
